SIR General & Revenue Departments

I have the honour to inform you that the Lower Secondary class in the two District Normal Schools at Kolar and Shimoga was abolished and the schools were converted into purely training institutions of the Lower Secondary Grade with effect from 1st January 1910, in accordance with Government order No 5474/Ed 93-09 dt 23 12 1909 The schools have now to devote greater attention to the various kindergarten occupations such as brush work, clay-modelling and paper-folding as well as to nature study by means of school-gardening &c Consequently larger amounts for monthly contingent expenses for the purchase of

paper, gum, clay &c will be necessary Seeds, flowers and plants will have to be frequently purchased for the School gardens and pet animals and birds will have to be maintained and properly fed. As the Contingent allowance paid for each of the schools at present is only Rs 5/- a month, I recommend for the reasons stated above, that the monthly Contingent allowance may be raised to Rs10 in each case and the necessary provision ordered to be included in the State Funds Budget of 1910-11

I have the honour to be,
Sir
Your most obedient Servant

J Wen
Inspector General.
